

Transfer Admissions

A transfer student is any student who has completed previous college work at a regionally accredited college or university and plans to attend the Alamo Colleges. A transfer fee is required of students transferring into the Alamo Colleges.

- Comply with Texas Success Initiative (TSI) requirements
 - Meet the placement requirements with official documentation of Texas Success initiative (TSI) exemption or compliance (test scores or official college transcript) or take mandatory placement tests. Exception: Students enrolling in Level One Certificate programs that do not identify skill levels are not required to test.
- Apply for admission
 - Complete and submit the admission application through [ApplyTexas](#). An active application is required to move forward with the enrollment process.
- Submit transcripts
 - Transfer students must submit an official transcript from the last college or university attended. To ensure that all transferable credits are awarded, a student must submit all college or university transcripts with all grades posted.
 - Official Community College of the Air Force (CCAF) transcripts fulfill the last college attended admissions requirement.
 - Foreign transcripts must be translated into English by a member of the [American Translators Association](#). Students seeking transfer credit from foreign institutions must submit the official transcript evaluated by a member of the [National Association of Credential Evaluation Services \(NACES\)](#). Please note: Some evaluation services require translation from a specific translation service.
- Provide proof of bacterial meningitis vaccination
 - State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Check the Alamo Colleges [website](#) for additional information. Information is also available through the [Texas Higher Education Coordinating Board \(THECB\)](#).
- Schedule an advising session. Advising is not required for all transfer students but is strongly recommended. Students entering with less than a 2.0 grade point average (GPA) are required to meet with an advisor.
