MAKING THE GRADE

Attendance

IMPORTANCE OF CLASS ATTENDANCE
Attendance has a significant impact on performance, and attendance during the first week is integral to success. Academic success is directly tied to the effort students put into their studies, the degree to which they interact with faculty and peers, and the extent to which they integrate into the college life.

SMART START
Student absences will be recorded from the first day the class meets, and students who do not attend class the first day of class may be dropped. Students not attending class must contact the instructor in order to avoid being dropped.

EXCESSIVE ABSENCE/PROCESS
Absences are considered excessive when more than 12.5 percent of the total contact hours of instruction in a semester, including lecture and lab. Students who stop attending class for any reason should contact the instructor and the Advising Center to officially withdraw from the class. The advisors can assist students in exploring all available options before deciding to withdraw. Faculty should report students with excessive absences to the Advising Center after the faculty has attempted to contact the student to get them back in class.

**Syllabus**

The syllabus is an overview of the assignments and activities to be included in a course. The syllabus serves as a contract between the student and instructor.

**CONCOURSE**

Since Fall 2010, Texas colleges and universities are mandated to comply with House Bill No. 2504. This Bill contains a mandate for “a public institution of higher education to establish uniform standards for publishing cost of attendance information, to
conduct student course evaluations of faculty, and to make certain information available on the Internet.” Section 51.974 (3)(b)(1) specifically stipulates that this information must be accessible from the institution’s Internet website home page by use of not more than three links. Colleges and universities are required to comply and, every other year, send a written report to the Governor and legislative leaders.

The House Bill also mandates that instructors must provide a curriculum vitae (resume) as well as academic background information to include education and published material. The purpose of this required information is to help the student make an informed decision based on instructor credentials.

Students may not enroll in more than the maximum semester credit hours allowed by the College for any given semester. According to the Texas Higher Education Coordinating Board (THECB), students generally are not allowed to enroll for more semester credit hours than the number of weeks in a semester/session. Students simultaneously enrolled in terms of different lengths may enroll in a maximum number of semester credit hours equal to the number of weeks in the longest term.

NOTE: The definition of full-time and part-time status for financial aid purposes may be different. For an overview of full-time status, part-time status and course hour maximum, please visit the online college catalog at http://my.nlccatalog.alamo.edu/content.php?catoid=95navoid=3734#course_load

PETITION FOR COURSE OVERLOADS
Students enrolled in special block programs that require enrollment in semester credit hours beyond the maximum normally allowed may be exempt from these limitations. All other students may petition the appropriate administrator (at NLC, Dean of Arts and Sciences, ACA1 301H or by phone at 210.486.5291) or designee for additional hours.

Evaluation and Grading System

EVALUATION
Instructors evaluate student achievement in relation to the attainment of the objectives of a course. At the beginning of the course, the instructor will explain these objectives, as well as how he/she assigns grades.

Permanent grades are recorded at the end of the term, and grades are available online through ACES (Alamo Colleges Educational Services) the Tuesday following the end of the term.

### Withdrawal Grades

Withdrawal- An official withdrawal maybe initiated by the faculty or student resulting in the course needing to be retaken in the future. Regular withdrawals will be recorded as a “W” (withdrawn). Waiver drops will be recorded as a “WX” (withdrawn with exception).

Withdrawal Exemption- A course withdrawn due to extenuating circumstance.
Types of Withdrawal Exemptions:

WX – Course(s) dropped due to extenuating circumstance are not included as part of the 6-drop ruling. For purpose of this rule, a dropped course is any course that is dropped after the published Census Date. Petition for this exemption must be submitted to the Advising Office and must be accompanied by documentation of the extenuating circumstance/exception. Once approved, it will be recorded as a “WX” (See SB1231/6 DROP RULE).

Exceptions to the 6-Drop rule include:

1) Withdrawing completely from the college
2) Dropping a course for a provable illness or disability, for care for a sick or injured person, or for a death in the immediate family;
3) Dropping a course for documented change of work schedule, or
4) Dropping a course for active service with the U.S. armed forces or Texas National Guard.

WM - Withdrawal from courses by military students. Military Service withdrawals are recorded as a “WM”. The student notifies Enrollment Services of military status change. Documentation is required from students in order to qualify for WM grade. “WM” grades have no effect on the GPA (See Withdrawal for Military Service).

Military students may want their transcripts to reflect that they withdrew due to military reasons or may request that their transcripts show no indication that they were enrolled, and the course(s) will be permanently removed from their transcript. If a student withdraws as a result of being called to active military service, Northeast Lakeview College, at the student’s option and with proper documentation, shall:

- Grant a student who is eligible under the Northeast Lakeview College guidelines a grade in all courses by designating “Withdrawn-Military” (WM) on the transcript, OR
- As determined by the instructor, assign an appropriate final grade or credit to a student who has satisfactorily completed a substantial amount of coursework and demonstrated sufficient mastery of the course material.
Northeast Lakeview College shall provide a 100% refund with the presentation of military orders.

**Note:** All “W” grades have no effect on the GPA, but do negatively impact Satisfactory Academic Progress (SAP) for financial aid eligibility. To simply stop attending a class may result in a grade of “F.”

**GRADE AVAILABILITY**
At the end of the term, students for whom no final grade is posted by the faculty will have a grade of NR (Not Recorded) assigned. Students should follow up with their instructor or, should the instructor not be available, the department chair regarding questions about grades.

**INCOMPLETE GRADES**
The conditional grade of “I” may be issued to a student having a passing average on all completed coursework but for a justified reason, such as illness or death in the family or by providential hindrance, has been prevented from taking the final examination or completing other required coursework. The “I” becomes an “F” in one hundred twenty (120) calendar days from the end of the term unless the student completes the balance of the coursework with a performance grade of “D” or higher. Re-enrollment in the course will not resolve the “I.” Students may be required to sign an “I” Contract agreement outlining the requirements to satisfactorily complete the course.

**GRADE POINT AVERAGE/CALCULATING THE GPA**
The GPA is derived by dividing the total number of quality points by the total number of semester credit hours attempted (not including W, WM, WS, WX, IP, CR, NC, NR, AU) for which grades have been received. The average is based on all semester and term coursework.
HONORS LISTS
Honors are granted to students who earn a cumulative institutional GPA of 2.00 in addition to a current semester institutional GPA of 3.5 or higher in the Fall or Spring semesters. The Honors will be awarded by the student’s home college. Grades earned for developmental courses beginning with the number zero (0) are not considered in Honors calculations.

STUDENT GRADE CHANGES AND APPEALS
A student has a maximum of one (1) year from the end of the semester or term in which the final grade was issued to request a review of the grade or petition for a change of grade. The responsibility for determining all grades and for judging the quality of academic performance in a course rests with the instructor assigned to the course. A student who believes that the grade received is incorrect should schedule a conference with the instructor to resolve the issue. Grade changes require the approval of the instructor and the respective department chair. When the instructor cannot be located in a timely manner by the student and the department chair, the student’s grade appeal can be initiated with the department chair.

A student not satisfied with an instructor’s decision, may initiate an Academic Grievance within five (5) days of the instructor’s decision. See Academic Grievance Procedure in District, State and Federal Regulations.

COURSE NUMBERS
All credit courses offered by NLC are identified by a four-digit number.

- The first number identifies the level of the course:
  - 0 – Developmental
  - 1 – Freshman
  - 2 – Sophomore
- The second number indicates the semester credit hour (SCH) value of the course.
- The third and fourth numbers distinguish the courses within a program area.
ACADEMIC STANDING/PROBATION/DISMISSAL

</tr>
</tbody>
</table>

ACADEMIC DISMISSAL (FIRST OR SECOND)

If students on Academic Probation or Continued Academic Probation do not earn a semester term GPA of 2.0 and do not earn a cumulative GPA of 2.0 in the next semester term following the probation status, they will be placed on Academic Dismissal and must remain out for one full fall or spring semester. Students placed on Academic Dismissal will receive notification from Northeast Lakeview College via their ACES email.

Students returning from their 1st or 2nd Academic Dismissal will enroll as Continued Academic Probation in the next semester term(s) until their cumulative GPA is a 2.0 or higher. Students must maintain a minimum semester GPA of 2.0 or higher to continue their eligibility for enrollment. If students do not maintain a minimum semester GPA of 2.0 or higher, they may be placed back on Dismissal status and be required to sit out.

After remaining out for one (1) full fall or spring semester term for each of the First or Second Academic Dismissals, students must petition for registration. Upon readmission, students will be limited to a maximum approved course load of six to eight (6-8) semester hours including the required SDEV 0171, Strategies for Success course designed to teach proven strategies for academic success. Students will also be required to meet with an appropriate college representative.
Students will be enrolled under the status of Academic Dismissal and must achieve and maintain a minimum GPA of 2.0 during the semester approved for enrollment. The maximum student course load during subsequent semesters will be based on the student’s academic progress and may not exceed 12 semester hours.

Students who wish to enroll and not remain out a fall or spring semester may petition for an exception and must complete the academic dismissal petition process. Students granted an exception will be re-enrolled.

Students may re-enroll if minimum academic standards have been met at another accredited college or university during the period of dismissal.

Academic Dismissal status is removed when students earn a cumulative 2.0 GPA.

Submitting an Academic Dismissal petition does not guarantee registration.

For more information on Academic Dismissal or the petition process, please contact: Ofelia Garcia, Certified Academic Advisor (210) 486-5187.

**EARLY ALERT**

Early Alert is designed to promote student success and retention by serving as a resource tool to identify students experiencing academic difficulties. It provides resources and proactive services to help ensure the best chance for success in college. The Early Alert program is initiated within the first 4-8 weeks of a semester when faculty members identify and contact students at risk of not passing the course. As the first level intervention, faculty encourages students to meet with the instructor to discuss and address the academic concerns. Students receiving multiple alerts are contacted by a Student Success team member for a second level intervention to assess issues that may negatively impact overall student success. Interventions may include tutoring, advising, study strategies, and referrals to college and community services and resources. Students are required to make an
appointment to meet with a Certified Academic Advisor to receive important information regarding their Early Alert status.

**Final Examinations**

A written comprehensive final examination, not to exceed two and one-half hours, is given at the end of each semester for each course. Any exceptions to this requirement must be approved by the appropriate dean. Other examinations are given at the discretion of the instructor.

Students should consult the course syllabi for date and time of final exam.

**Student Development (SDEV)/ EDUC 1300 Courses**

Northeast Lakeview College requires all students to complete a student development/foundations course designed to help them successfully transition to college and better understand the College's expectations. Student Development (SDEV) courses offer techniques in life-long learning, creative and critical thinking, time management, test and note taking, studying, career planning, and building lasting relationships. Students who successfully complete SDEV courses have a proven record of higher retention and persistence in college. SDEV and EDUC 1300 are offered to fit specific student needs. The Student Development Office offers student developmental classes for beginning students. These classes introduce students to the College’s available resources
and to techniques conducive to achieving success. The flexible scheduling of these courses help students fit this valuable course into their first semester on campus.

Student's placement in **SDEV 0170** and **SDEV 0370** is determined by TSI readiness, and provided during Group Advising at New Student Orientation (NSO).

Completion and Graduation

You may not think getting an associate degree is important. But instead of just transferring hours, make those hours work for you. You have a state of Texas guarantee of courses if you complete the core curriculum. Choose a degree/transfer plan that will enable you to get an associate degree. It really does matter.

Texas CORE Curriculum Transfer Law

Sec. 61.822 CORE CURRICULUM
If a student successfully completes the 42-hour core curriculum at an institution of higher education, that block of courses may be transferred to any other institution of higher education and must be substituted for the receiving institution’s core curriculum. A student shall receive academic credit for each of the courses transferred and may not be required to take additional core curriculum courses at the receiving institution unless the board has approved a larger core curriculum at the institution.

For additional information pertaining to core curriculum visit The Texas General Education Core Web Center at http://statecore.its.txstate.edu.
For a core curriculum audit, access your degree plan via ACES - GPS or visit the Advising Center in STCM 101.

Core Completion

CORE COMPLETION
Many students enrolling at Northeast Lakeview College plan to transfer to a college or university and will want to have the appropriate grades and courses for the transferring institution. All degree requirements include a General Education Core Curriculum, often referred to as “The Basics,” which are required at all Texas public institutions, are designed to provide a solid foundation for college education and to make transfers between and from Texas institutions of higher education as smooth as possible. Once students complete the Core Curriculum (approximately 42 credit hours) substitute for the Core Curriculum at any other public college or university in Texas. In addition to providing students with core curriculum requirements, the associate degree is even more valuable as that it provides the satisfaction of earning a degree.

GRADUATION

WHY GRADUATE?

• On average, your entry-level salary with an associate degree will be $7,000 a year more than you would receive with a high school diploma.
• If transferring, you are likely to have completed core curriculum requirements that will apply to other colleges and universities. You are even more likely to be accepted to a university when following a transfer plan.
• 85% of the better paying jobs in San Antonio require an associate degree to be eligible to apply or for career advancement. This can help you while you are completing your bachelor’s degree.
• Research indicates that if you get your associate degree before transferring, you have a 25% greater chance of completing your bachelor’s degree.
• By completing an associate degree, you will gain a sense of accomplishment for yourself and your
family. You will serve as a role model for other family members, friends and neighbors.

For Degree/Certificate requirements, refer to the college catalog http://mynlccatalog.alamo.edu or Alamo GPS http://www.alamo.edu/district/gps/ or visit with your Academic Advisor to request a graduation audit. Or, visit us/your Academic Advisor to request a graduation audit.

DEADLINES
For graduation deadlines, see the NLC website: http://www.alamo.edu/nlc/graduation/

COMMENCEMENT EXERCISES
All candidates for degrees and certificates are encouraged to participate in commencement exercises. Candidates need not be enrolled during the semester that the “Apply to Graduate Form” is submitted or during the semester in which the degree is conferred. Participation in the graduation ceremony does not ensure automatic fulfilment of requirements or that a degree will be awarded.

There is no cost for graduation. The diploma, cap, and gown are provided by Northeast Lakeview College.

MY SUPPORT SERVICES

Academic Advising

Academic advising is an opportunity to exchange information designed to help students reach their educational and career goals. Advising is a shared responsibility between an advisor and the student. Ultimately, it is the responsibility of the student to make decisions about his/her life goals by creating a plan to reach those goals. Academic advisors can assist in this process by helping the student understand options, determine resources and, when necessary, identify alternatives. To be adequately prepared for registration, students should seek academic advising before the registration process begins to become familiar with pre-requisites for courses, degrees and programs, and transfer institutions.

For students enrolled in online courses, contact the NLC Web Advisor either by email or live chat (hours vary). http://www.alamo.edu/nlc/WebAdvising/. If you have an assigned Certified Academic Advisor, they can also assist you.

Via U.S. mail or fax, provided the fax includes a signature, Banner ID or Social Security Number, and a copy of a photo ID.
Educational Releases signed by the student are required for each request and are subject to review.

Northeast Lakeview College will not mail via overnight services; fax to other educational institutions, students, employers or other
third parties; or accept students’ personal requests for transcripts via email or phone.

The first copy of your official transcript is free, and $10 for each additional copy requested. Transcript requests can take up to 10 business days to be processed. Contact Admissions and Records if your request is not processed within 10 business days.

Students may use ACES self-service to print unofficial copies of their transcript, available to the student at no cost.

In compliance with FERPA regulations and Alamo Colleges District policy, transcripts may only be released to the student of record.

Transcripts will be withheld if students have not settled all admissions requirements (e.g., submitting official transcripts from all institutions attended) and satisfied all financial obligations to the Alamo Colleges District.

Note: Any request received for student record with a “transcript hold” will not be processed until the “hold” is resolved. Students are notified via email of the need to clear the “hold.”

The Disability Support Services Office coordinates accommodations for approved students with permanent and temporary disabilities as defined by the Americans with Disabilities Act (ADA) of 1990. The ADA prohibits discrimination in the recruitment, admission or treatment of students. Section 504 of the Rehabilitation Act of 1973 states: “No otherwise qualified

- Students should provide documentation to include a diagnosis.
- Students will schedule an intake interview to discuss reasonable accommodations.
- Students will receive Letters of Accommodation via the student’s ACES email and/or in person.
- Students must submit a “Renewal Request for Disability Services Form” this is required each semester the student seeks accommodations.

Accommodations to students may include but are not limited to:

Continuation of Services

Approved accommodation services may be provided each semester if the approved student informs the Disability Support Services Office that services are needed for the current term. It is necessary for approved students to complete a Renewal Request for Disability Services form each semester.

The office approves reasonable accommodations which will be adhered to by college staff, faculty and administration.

The Installment Plan is available for all semesters and has preset dates that determine when the students’ next payment is due.
TUITION REFUND PETITION
No refund is possible after the designated deadline, except in extraordinary circumstances and if approved by the appropriate Northeast Lakeview College Administrator.

REFUNDS
Refunds are dependent on students having paid more than the minimum required tuition and having paid their tuition in full. For example:

1. Financial Aid credit - if tuition and fees were lower than financial aid award than a refund will be issued
2. Withdraw/drop from a course(s) - you may be eligible to receive a refund based on the college refund schedule website: http://www.alamo.edu/main.aspx?id=22828

Students who receive a refund are responsible for reimbursements to companies or agencies that have financially assisted them with their tuition.

Refunds for students on the Installment Plan will be applied to the balance due, as stated in the Installment Plan Contract. All academic calendar days are considered for refund purposes, not only the days the student attends class.

Refunds for other non-standard length courses (ie. open learning, continuing education) shall be made based on the Refund of Tuition table provided by the Texas Higher Education Coordinating Board (THECB).

NLC does not require any additional fees or charges for verification of student identity at this time.

Service Learning and Volunteer Opportunities

SERVICE LEARNING
Some instructors on campus include a service-learning component as part of the course curriculum. These courses use the knowledge you learn in the given course and extend it with hands-on experience in the community setting. This means that what students learn in the classroom and through homework/research will be used in actual real-world situations to help more fully understand the topics discussed in the course. Depending on the instructor, service-learning can be an optional or required part of the course.

VOLUNTEERISM
Civic engagement is an important feature of the college experience. Opportunities to volunteer on and off campus are offered to help students understand how each person can make a difference in the community. Non-profit organizations actively provide students with volunteer opportunities to ensure that students have an outlet if they choose to use their free time volunteering for worthwhile causes.

Academic Fresh Start

Senate Bill 1321 entitles residents of Texas to seek admission to public institutions of higher education without consideration of courses undertaken 10 or more years prior to enrollment. The bill has been called the “right to an academic fresh start,” and it gives students the option of electing to have coursework, taken 10 or more years prior to the starting date of the semester in which the applicant seeks to enroll, to count as usual or to be ignored for admissions purposes.

Academic Grievance Policy

Faculty are responsible for classroom management, teaching strategies, testing, and evaluation of student performance. At academic institutions conflicts may develop within the educational process that require academic intervention using the Academic Grievance process. If the grievance process is to function smoothly, a serious effort must be made to resolve such conflicts expeditiously. When student complaints cannot be resolved through informal interaction with a faculty member or chair/coordinator, students are directed to use the Academic Grievance procedure by filing a Student Academic Grievance form, available from any division chair.

Students are encouraged to use the Academic Grievance process only when there is clear and convincing evidence that a faculty member has treated the student unfairly, arbitrarily, or capriciously. The Academic Grievance procedure allows for unresolved complaints to continue moving from student, to instructor, to division chair, to dean until consensus is reached or final decision affirming or denying the grievance is made by the appropriate dean.
Academic Grievance Policy

The academic grievance procedure is displayed in the following flow chart:

1. **Student and Professor Conflict**
   (Appeal to professor within the first two weeks of the next regular semester)

   - Resolve with Professor
   - Dissatisfaction with Professor's Decision

   2. **Appeal to Division Chairperson**
   (within 5 business days)

      - Resolve with Division Chairperson
      - Dissatisfaction with Division Chairperson's Decision

   3. **Appeal to Dean**
   (within 5 business Days)

      - Dean's Decision is Final

Academic Integrity Appeal Process

If a faculty member finds that a student is in possible violation of the academic standards of the Student Code of Conduct (F.4.2.1 http://alamo.edu/uploadedFiles/District/Employees/Departments/Ethics/pdf/policies/F.4.2.1-Procedure(3).pdf, “Academic Integrity Violations”), the faculty member shall document the act, completing the Academic Integrity Report Form F.4.2.3 http://alamo.edu/uploadedFiles/District/Employees/Departments/Ethics/pdf/policies/F.4.2.3-Procedure.pdf online and attach relevant evidence.

The faculty member shall notify the student and explain the procedures and possible penalties. The faculty member shall provide the student a copy of Procedure F.4.2.1 http://alamo.edu/uploadedFiles/District/Employees/Departments/Ethics/pdf/policies/F.4.2.1-Procedure(3).pdf, and the student will be allowed to explain the incident.

The faculty member shall then meet with the student, at a time arranged between the student and faculty member, to allow the student to explain the incident. The faculty member subsequently may, at his/her discretion, impose any of the following sanctions:

1. Dismiss the charge.
2. Issue a written warning to the student.
3. Reduce the grade on the assignment or test.
4. Reduce the final grade for the class.

Each of the consequences 2 – 4 shall be accompanied by a completed and signed Academic Integrity Report Form. If the student agrees with the faculty member’s decision, the form shall be submitted electronically to the CSAO and the paper copy shall be filed in the department office.
Children on Campus Policy

In order to prevent children from potential safety risks, from damaging expensive equipment, from hazardous areas which, and from interfering with the learning opportunities for all students, the following Alamo Colleges District policy is currently in effect:

Students are urged not to bring children to classes, labs, or other facilities such as libraries. **Minors under the age of 12 must not be left unattended on-campus at any time. Individual instructors may enforce additional restrictions or waivers for their particular classrooms or labs, which will be included in the course syllabus.**

Distance Learning: Student Privacy

NLC complies with all of the requirements of the Family Educational Rights and Privacy Act (FERPA). We are committed to protecting the privacy of a student’s educational record regardless of delivery method. The Registrar is the point of contact for all FERPA related issues, and all employees are informed and trained of their responsibilities of unauthorized release of confidential records or information. Because an online environment creates a record of student activity, it is subject to FERPA privacy rights, unlike verbal exchanges in a physical classroom.

IDENTITY VERIFICATION IN DISTANCE LEARNING COURSES

The identity verification process for online courses protects student’s privacy through the use of a secure portal, with a secure login and student-selected password. In addition, Northeast Lakeview College uses an enabling technology that is used to verify the identity of online students. For more information on
BioSig-ID, please contact your online course instructor. NLC does not require any additional fees or charges for verification of student identity at this time.

**FACULTY RESPONSIBILITY**

Faculty and staff understand and carry out a commitment to confidentiality, integrity, and security to protect the privacy of students who participate in distance learning activities. Students’ records are kept private by the instructor, except in cases where academic staff or administration access the course, with legitimate educational interest under FERPA guidelines.

In order to maintain course security and protect student privacy, faculty do not access or attempt to access another employee’s or student’s account without authorization as described in the Appropriate Use of Information Technology District Policy C.1.9.

**STUDENT RESPONSIBILITY**

In order to maintain confidentiality, portal login passwords are generated by the student and any password reset is completed through “secret question” protocol. It is the students’ responsibility to keep their password confidential as stated in Student Code of Conduct District Procedure F.4.2.1 and Appropriate Use of Information Technology Resources District Policy C.1.9. Only work submitted to open forums, like discussion board, can be accessed by other students; other assignments, grades and correspondence are not viewable by other students.

**Electronic Devices in the Classroom**

Students are required to silence and store (out of sight) all electronic communication devices such as mobile phones, PDAs, etc. when in classrooms, laboratories, libraries, or other areas where such devices would interfere with instruction and learning. Faculty members have the latitude to modify this policy in their syllabi.

**Family Educational Rights Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) requires any school that receives federal funds to release or withhold a
student’s education records in accordance with its rules. For more information please refer to the College Catalog: http://mynlccatalog.alamo.edu/content.php?catoid=89&navoid=3142

**Intellectual Property**

Guidelines for the use of and the definition of intellectual property originate in Board of Trustees Policy C.1.8 (Policy) Intellectual Property as it relates to all employees and students.

**1. Definition of Intellectual Property**

Intellectual property is illustrated by, but not limited to, scientific, technical, literary, dramatic, musical, artistic, and other intellectual and creative works as well as inventions, discoveries, trade secrets, and computer software, which, are copyrightable or patentable.

**Ownership**

Student work created as part of College course work is owned by the student, except when described below:

In cases where there is an immediate threat to the safety of the individual or the College Community, Alamo Colleges Police Department should be contacted first at (210) 485-0911.

**Student Code of Conduct**

Northeast Lakeview College and the Alamo Colleges District are committed to fostering an environment of thoughtful study and discourse. Shared values that guide the Alamo Colleges District in fulfillment of its vision and mission also guide the systematic accumulation of standards of behavior that students must uphold as well as the responsibilities that they must accept according to policy. Thus, the principles set forth in our Values: Students First, Respect for All, Community-Engaged, Collaboration, Can-Do Spirit and Data-Informed Decision Making are the hallmarks of our Student Code of Conduct. All students are charged with notice and knowledge of the contents and provisions of the Student Code of Conduct.

The act of applying to be a Northeast Lakeview College student is an explicit acceptance of the Alamo Colleges District policies, procedures, regulations, and administrative rules. All students shall obey the law, show respect for properly constituted authority, and observe and comply with the Student Code of Conduct and College District policies, procedures, regulations, and administrative rules. The Student Code of Conduct is a Board policy and procedure, and its violation is a violation of Board policy and procedures.
The Student Code of Conduct disciplinary process is not intended to punish students, but rather to protect and foster the learning environment, to protect interests of the Northeast Lakeview College community, and to challenge those whose behavior is not in accordance with the code. When warranted, based on a preponderance of evidence obtained in an investigation of a violation, disciplinary sanctions are imposed and may include prescribed expectations of improvement in terms of various aspects of personal development, academic success, civility, and other measures of relevant success. Sanctions are intended to challenge a student’s moral and ethical decision-making and help them bring their behavior into accord with our community expectations.

In part the policy states, “as members of Northeast Lakeview College learning community, students, faculty, staff and administrators all share the responsibility to create an atmosphere where knowledge, integrity, truth, and academic honesty are valued and expected”. Inherit in the academic climate is the expectation that students will assume responsibility for contributing to their own development and learning. There is a direct correlation between student effort and academic success, the degree to which they interact with faculty and peers, and the extent to which students integrate into the college activities.

The Student Rights and Responsibilities Policy asserts four major areas of student responsibility: Engagement, Communication, Academic Success and Self Responsibility and Responsibility to Others.

**Campus Sex Crimes Prevention Act**

Sex offenses are crimes of a sexual nature. They vary in type and can be misdemeanors or felonies. Felony offenses are more serious crimes than misdemeanors.

The Texas Department of Safety (DPS) has established a website as the official internet source for Sex Offender Registration Information https://records.txdps.state.tx.us/SexOffender/index.aspx. The Sex Offender Registration open record information is extracted from the DPS Sex Offender Registration Database. DPS maintains a file based on registration information submitted by criminal justice agencies and represents a statewide source of information on sex offenders required by law to register.

**Clery Act**

The Clery Act requires all colleges and universities that participate in federal financial aid programs to keep and disclose information about crime on and near their respective campuses. Compliance is monitored by the United States Department of Education, which can impose civil penalties, up to $35,000 per violation, against institutions for each infraction and can suspend institutions from participating in federal student financial aid programs.
The Alamo Colleges Police Department provides law enforcement and security services to all components of the Alamo Colleges District, including academic campuses and a variety of satellite facilities in its service region (Bexar, Bandera, Comal, Kendal, Kerr, and Wilson Counties; Atascosa County, except the territory within the Pleasanton Independent School District; and Guadalupe Counties, except the territory within the San Marcos Consolidated Independent School District).

The Alamo Colleges Police Department is the primary police authority for the Colleges of the Alamo Colleges District. Our Police Officers are certified Texas Peace Officers as defined in Article 2.12 of the Texas Code of Criminal Procedure.

**LICENSED CONCEALED CAMPUS CARRY**

Licensed concealed campus carry of handguns takes effect at the Alamo Colleges District on August 1, 2017. No open carry is allowed. The Alamo Colleges District have exercised limited
statutory authority to adopt rules prohibiting carry at certain locations, which will be designated by signs. The law does not permit a prohibition in classrooms or faculty offices. If you see a person openly carrying or deliberately displaying a firearm on campus, call the police at (210) 485-0911. Do not confront a potentially armed person. By law, only police are permitted to ask whether a person is a license holder or carrying. The law does not allow faculty to tell license holders to refrain from exercising their legal right to carry concealed in class, to ask whether carrying, to demand to pat down, etc.

The Alamo Colleges District will not consider the law’s requirement that a license holder conceal the weapon on or about their person violated if a license holder places their purse, rucksack or briefcase away from their person but within their view during tests at the direction of their instructor. Special testing locations requiring a complete surrender of personal effects during testing will be signed as prohibited areas. College lockers are not authorized for storage of handguns by license holders. License holders carrying on campus intending to access prohibited areas must leave their weapons locked in their vehicles. Unintentional display of a weapon by a license holder must be avoided, but should not be confronted other than by police, who will exercise their enforcement discretion. Open carry, intentional display, unlicensed carry, carry in spite of signed prohibition and negligent obvious unintentional display are subject to employee and student discipline, as well as possible prosecution.

- Remove ignition key
- Lock all doors
- Secure all windows
- Avoid leaving valuables in the vehicle, but if you must, lock them in the trunk before departing your home
- Use anti-theft locks
- Consider installing an alarm system

**Title IX at Northeast Lakeview College**

Title IX is a federal law that prohibits discrimination based on sex (gender) of employees and students of educational institutions receiving federal financial assistance. Title IX’s prohibition of discrimination includes acts of sexual harassment and relationship violence. Northeast Lakeview College does not tolerate sex discrimination, sexual harassment or sexual violence of any kind.

To ensure compliance with Title IX, Northeast Lakeview has a designated Deputy Title IX Coordinator to address such violations. Sex and gender-based misconduct is defined within Policy, H.1.2 Civil Rights Discrimination, Harassment and Retaliation (http://www.alamo.edu/uploadedFiles/District/Employees/Departments/Ethics/pdf/policies/H.1.2-Policy.pdf)

An individual may file a grievance with the Deputy Title IX Coordinator if the complainant believes there was discrimination. The complaint should be filed as soon as possible and preferably within 180 days after the alleged incident. To file the complaint, the individual may make a verbal statement to the Deputy Title IX Coordinator or make a written statement or use the online reporting form located at https://cm.maxient.com/reportingform.php?AlamoColleges&layout_id=72, detailing the violation of the policy. It is important that the complainant explain what he or she would like to result from the resolution of the complaint.
Anyone who believes they have been subjected to gender-based or sexual discrimination or harassment (“sex and gender-based misconduct”) is encouraged to report these incidents to the Deputy Title IX Coordinator. Upon receiving a report, Northeast Lakeview College will respond promptly, equitably, and thoroughly. In addition, the College will take steps to prevent the recurrence of the alleged sex and gender-based misconduct and correct its effects, if appropriate. The College is committed to providing a learning environment free from gender-based discrimination or harassment.

Students who wish to file criminal charges should make contact with the Alamo Colleges Police Department (ACPD). The case may be investigated by the ACPD or in collaboration with the San Antonio Police Department and the surrounding municipalities. The decision of whether or not to file criminal charges does not affect the responsibility of the College to act on a complaint brought to the Administration.

**IMPORTANT NOTE ABOUT CONFIDENTIALITY**

Any College official (e.g., faculty member, faculty or staff advisors to Student Organizations, dean, etc.) informed of an allegation of sex and gender-based misconduct involving students or other members of the College community is required to file a report with the Deputy Title IX Coordinator. Certain college officers who are serving in a privileged professional capacity (e.g., counselors, clergy, rape crisis counselors, medical service providers) are not bound by this expectation, except as required by law. The Counseling Department at Northeast Lakeview College is located in STCM 222H.

When a report of sex and gender-based misconduct is investigated, the Complainant (person bringing the complaint), the Respondent (accused) and all identified witnesses who are interviewed in the investigation, will be notified of the College’s expectation of confidentiality/privacy. The College will make all reasonable efforts to maintain the confidentiality/privacy
of the parties involved in sex and gender-based misconduct investigations. Breaches of confidentiality/privacy will be reviewed and may be considered a violation of the policy and may result in additional disciplinary action. Any action that could be deemed retaliatory will be dealt with according to this procedure.

A Complainant may make a request for anonymity. This type of request means that the Complainant does not want his/her identity known to the respondent or witnesses, or that the Complainant wishes to withdraw a report. In these situations, the College will make all reasonable attempts to comply with this request; however, the College’s ability to investigate and respond may be limited.

Jurisdiction
The College is able to respond formally to alleged incidents of sex and gender-based misconduct:
- that occurred on campus,
- that were part of official College programs (regardless of location), or
- where the Complainant and Respondent are a student, member of the faculty, staff or administration of the Alamo Colleges District.

If the offender is unknown or is not a member of the College community, the Deputy Title IX Coordinator (or designee) will assist students in identifying appropriate college resources or local authorities if the student would like to file a report. In addition,
the College may take other actions to protect the student and the community.

Interim Measures
During the investigation and until resolution of the matter, interim measures may be issued, including but not limited to: restrictions on contact between the Complainant and the Respondent, bans from areas of college, and/or appropriate changes in academic, or employment schedule. Failure to adhere to the parameters of any interim measures is a violation of policy and may lead to additional disciplinary action.

Informal Resolution is not an option in cases involving allegations of sexual assault.

Investigation
Reports of alleged sex and gender-based misconduct will be investigated in a thorough and prompt fashion. Following the receipt of a report, if it is determined that there may be a reason to believe that a policy may have been violated, a formal investigation may commence. If investigation is to commence, the Respondent will be notified that a report has been filed and he/she will have the opportunity to submit a written statement within five (5) business days, whenever possible. The Respondent and Complainant will be given the opportunity to meet separately with the Title IX Coordinator (or designee) to review the Policy and procedure. Please see the procedures in Policy H.1.2.1 (http://www.alamo.edu/uploadedFiles/District/Employees/Departments/Ethics/pdf/policies/H.1.2.1-Procedure.pdf)

Retaliation
Any attempt by a member of the College community to penalize, intimidate, or retaliate in any way against a person who makes a report of or who is otherwise involved in an investigation of discrimination or harassment is completely prohibited. Any person who believes that he or she has been the victim of retaliation for reporting discrimination or harassment or cooperating in an investigation should immediately contact the Title IX Coordinator. Any person who retaliates against a person in response to a report or cooperation in an investigation will be in violation of policy and will be subject to the appropriate discipline process.
